

DOOR COUNTY BOARD OF REALTORS®

MULTIPLE LISTING SERVICE

**MLS**™

September, 2007

Dear Mr. Morrison:

On September 12<sup>th</sup> of 2007 you were kind enough to shorten your program to an hour for the Door County Board of Realtors and I am now thinking we were short changed!! I now wish we could have hired you for an entire full day.

For the first time in many months I did not receive one bad comment and us realtors, title company personnel and bankers can be hard to please.

You were simply delightful, sincere and yet entertaining and very insightful into what the real world is about in a world built around stress.

The Door County Board of Realtors will look forward to any program that is available to us that includes the guest speaker being Mr. James Morrison!!!

Again, THANK YOU!!
