Dear Jim,

On behalf of the Green Bay West Rotary, thank you for serving as master of ceremonies for our first Community Service Awards event on August 28, 2009.

Your presentation style is engaging and well-organized without appearing too formal. You kept the event moving along at an appropriate pace, used well-placed humor, and acknowledged each nominee in a very sincere manner.

Our team was most impressed with your ability to adapt to last minute changes without any evidence of frustration or disorganization—a very important trait to possess when leading public events.

We extend our deepest appreciation for a job “well done” and for the donation of your time to this worthwhile event.

Sincerely,
