Dear Jim,

Thanks you very much for being the keynote speaker for the 2013 International Snowmobile Congress hosted by the Association of Wisconsin Snowmobile Clubs at the Radisson Hotel & Conference Center in Green Bay.

We heard nothing but positive comments from our 450 plus attendees following your presentation. You did a great job of covering all of the topics we talked about in advance and you presented it in a very entertaining way, including just the right amount of humor.

Thanks again,
